Treasurer Report:

General Meeting:

Josh Caudill began the discussion around the Sept 30th Safety Day 2020 date. Discussion was related to:

- Beginning to promote the date within our networks, and gauge interest from those in the community.
- Track local conferences to see what they are doing to keep people Safe.
- Identify potential solutions if we are not able to have Safety Day 2020 on Sept 30th, 2020. (The group agreed that not being able to have the event on Sept 30th 2020 would mean cancelling the event until spring of 2021.
- Ensure that the speakers align with a new COVID-19 mental health presentation (BRACE excluded from this requirement).

Discussed hiring a service to clean/sanitize during Safety Day 2020.

Discussed handing out face masks at the entrance.

Discussed distractions coming back to work from the COVID-19 stay at home orders.

Our purpose is to facilitate and communicate, to the business community, safety and health awareness in order to promote a safe and productive workplace

Discussed Bill Gates explanation of how viruses work. Josh will be sending out the video to the group.

Lee Claycomb will be reaching out to the Rosen to find out the following information:

- Confirm that the 9.30.2020 date is still good.
- Find out what they will be doing to ensure the Safety of the attendees.
- What will the expectations for ACFS be at the conference.
- Is there an alternative besides buffet style lunch.
- If we have to cancel, beyond our control, can we just move funds to 2021.
